Describing the Future

Answer the questions to help you visualize the scene beyond the door. You can either write your answers or draw simple pictures.

Who will be with you in your version of the future?

What will you wear in your version of the future?

What will you eat in your version of the future?

What will be important to you, in your version of the future?

What is one rule you hope will exist in your version of the future?

This Is My Future

When you open your door to the future, what will it look like, smell, like sound like, etc.? Write about your version of the future on the lines below. Use at least 3 adjectives from your adjective chart.

When I open the door…
