## If Only I Were a Butterfly

By: Skye, Grade 5

If only I were a butterfly  
I would soar through the sky  
and fly above the clouds.  
If only I were a butterfly  
I would race the birds  
I would be free like the wind.  
I would fly gracefully onto a building  
and look at the people on the ground.  
If only I were a butterfly  
I would be one with the wind.  
I would be free and happier  
than I have ever been

## If I Were Hot Fries

By: Trellis, Grade 5

If I were Hot Fries I would be so yummy tasty.  
People would pick me up from the store.  
People would eat me.  
I'd be gone in the trash.
