

# Census Collection Sheet: Native Flora Plants

Plant Name	Could you find it?	Where did you find it?	How many did you find?

# Census Collection Sheet: Native Flora Plants (Cont.)

1. What plants did you see the most of? Why do you think that might be?
2. What plants did you see the least of? Why do you think that might be?
3. What were the biggest differences between the plants you saw?
