

# Superheroes to the Rescue!

1. In the space below, write down ideas about what makes a superhero:

- In the column on the left, list characteristics of a superhero (or supervillain)
- In the column on the right, brainstorm superheroes (or supervillains) that you know

<i>What do most superheroes have in common?                      What characteristics do they share?                      How do you know a superhero when you see one?</i>	<i>What superheroes do you know?                      List the names of some famous superheroes</i>
Capes They save people	Superman Batman

**In the space below, draw a picture of a superhero that you know, labeling the parts that make him or her a superhero:**
