

# Let's Brainstorm!

Directions: Each group must complete ONE of these brainstorm sheets.

## CHARACTERS

First, we have to pick your characters for your skit! There should be at least as many characters as people in your group, but you can have more if someone in your group wants to play multiple characters. You will pick characters out of a box. On this sheet, assign the characters you picked and the roles for your skit.

Bully:

Bystanders:

Who is being bullied?

## WHAT'S GOING TO HAPPEN?

**IN THE BEGINNING:** *Look at the Stop Bullying handout. What kind of bullying will happen? What will it look like? What will the characters say? Where is your story taking place?*

**IN THE MIDDLE:** *Look at the Stop Bullying handout. What kind of strategy will the bully, bystanders, or person being bullied use to address the bullying? Pick at least one and write down some ideas about how that can look with your characters and story.*

**IN THE END:** *What will happen in the end? Does everyone become friends? Does the person who was bullied still need some time to forgive the bully? Write down some ideas about what your characters could do now that the bullying isn't a problem!*
