by Salma, 826 Boston

## TYPE

### Social-Emotional Learning

My, myself, and I

(NOT A POEM)

I like that I have good grades,

art, contented, creative

I want to learn how to cook in general,

I'm good at obbys in Roblox,

I'm glad I'm alive,

Blue, glasses, nails grow fast

I used to flex that I was older than people

FUN FACTS: I like history, I like to sleep, I steal iPads in my house, I have brown eyes, I like to eat, I'm scared to search up King Tut's mummy because my brother said that his skin is **BLACK LIKE THE COLOR BLACK LIKE A PHONE SCREEN!**
