# Yellow Like Bananas

## TYPE

### Poetry

Bananas are as delicious as sweet candy,  
When I eat bananas I sing, "I like to eat, eat, eat apples  
and bananas!"  
To me, the color yellow feels soft,  
Because some yellow covers are soft.

Yellow in my favorite color,  
Because it's the color of a banana.

Bananas are as delicious as sweet candy.  
When I eat bananas I say, "I like to eat, eat, eat apples  
and bananas!"

Yellow makes me feel happy.  
Yellow makes me feel calm.  
I am a sloth when I see yellow.

The color yellow is like a lemon,  
When you eat a lemon it tastes sour.  
Lemons are sweet, lemons are nice when you eat them  
You pucker your lips and you squeeze your eyes.

Once I ate a banana and a lemon at the same time!  
It tasted weird like a hive!  
Yellow is the best because it is the color of so many fruit.

It could be candy flavor too!
