Listen,  
You're a strong young lady  
Listen,  
Fly free like a bird soaring through the air  
Listen,  
Let the wind pick you up  
Listen,  
You are worth more than you'll ever know

You need to keep your chin up and your head held high  
Listen,  
Never say you can't do it, you can move mountains  
Listen,  
You're beautiful no matter what anyone says, don't change for anyone  
Listen,  
You can do anything you set your mind to
