Well I know that sometimes

You get angry that ...

You ask for an opinion

From 1 to 10 but to you as

Brothers, I give you 1,000.

I know I'll always

Hold my hand when

You think that is this

Life only going to be

Here I am, together

We will move forward.

You ask for an opinion

From 1 to 10 but to you as

Brothers, I give you 1,000.

My favorite memory:

My 3 years old birthday –

He was 16 years old – house

Bought the cake

Laughter

Smell of pizza

Taste of cake.
