

# Script Scramble

## Extension Activity: Dialogue Writing

Script Scramble! Use these phrases to make a nonsensical dialogue in a familiar format, like a news show, interview, or lesson!

Hi (or) Bye	What are you doing here?
Yesterday was interesting	Is that off?
Cats are stupid	Can you help me?
You know I hate macaroni and cheese	Why are you looking at me like that?
Don't mess this up	Where's Jo?
No (or) Yes	It was you, wasn't it?
Something terrible happened	Really?
I already told you	What do you think?
None of your business	When did this arrive?
You know the answer to that	How did you sort that out?
I like hula hoops	Is that a wig?
There was a cat stuck up a tree	Can I have that?
