Dear healthcare workers,

I know it may not be easy right now. But you can do it. My mom is a nurse at Hennepin County Medical Center, and over there they're bracing for it too. But you can do it. The term "hero" may seem daunting or inappropriate, but to me, you all are my heroes. You are the toughest, kindest and most intelligent bunch I've ever had the pleasure of meeting. You are prepared, you are ready for this. It will be hard, but you *will* prevail. From the bottom of my heart I thank you. You are doing the job not many would be up for.

I believe in every single one of you.
