

# Mentor Text

## Owl Girl

by Athena, 826NYC

I am from a family of owls.  
They adopted me.  
I now fly around on my owl wings  
With my side cat, Snice.  
By day I sleep in a comfy mountain,  
But by night I climb into  
My tree house and zip-line  
To my secret headquarters.  
I fight against Lo and JB,  
Who try to hypnotize their fans.  
I dart through the sky eating marshmallows  
That shoot out of my hands.  
I also love to bake.
