GRADES 4-6

I am crafty, caring, inquisitive, and studious.

I know three incredible cultures.

Others see me as talkative,

But I am really introverted.

Stories are important to me

Because they are interesting and help me study

And I value family

Because I don't have a lot on my dad's side, but I

have a lot on my

mom's side,

Around me, I smell delicious pizza, vanilla ice cream,

and mango

ramen.

Within me, I feel introverted, shy, and quiet

Because I take a while to warm up to people.

I am a panda

Because I am cuddly and fun.

I enjoy protecting the environment

Since I am inspired by my exciting English teacher.

I am crafty, caring, inquisitive, and studious.
