**TYPE****POETRY****GENRE****GRADES 6–8**

I am a blooming flower.

I am like the sunshine that makes me happy.

I am a yellow color that always stays happy.

I am bright and big from the sun.

I like to smile from all my good memories.

I like memories that are stored in my head forever.

I like to think positive and powerful.

I am good and fun.

I am like a little ant that likes to find a way to the  
good.
