GENRE

GRADES 3–5

Dear Green Crayon,

I know you feel happy, but I think you are sad.

I appreciate you because you remind me of mint, grass, and trees.

Another reason I like you is because you remind me of nature.

Green means leaves. Green grapes are sweet. Green is cool.

I have a green lizard named Spencer. Spencer is cute.

Green is also for Pokemon! Venusaur is green.

Sincerely,

Aiden
