GRADES 6–8

A boy loves trembling  
A boy loves only today  
A boy loves dreadful touches  
A boy loves nothing more than time  
A boy loves bold moons  
A boy loves a girl  
This girl loves him but,  
This girl hates trembling  
This girl hates only today  
This girl hates dreadful touches  
This girl hates nothing more than time  
This girl hates bold moons  
This girl is also not here.
