What I Love

Day M., Grade 4, 826

TYPE**POETRY****GENRE****GRADE 4**

I am from grandma, using colors to fix my clothes

I am from pizza, made special my mom's way

I am from short Karen shirts, worn to Karen church

I am from summer break, full of swimming and fun

I am from my little baby sister, copying my every
move

I am from my grandma, missing me when I go to
school
