WITH CBN NEWS.

BUT

Welcome back to CBN News! We have a live
facecam of Superman telling us the battle of
Dragonbolt!

SUPERMAN'S FACE APPEARS ON THE
SCREEN.

SUPERMAN

Okay, but before I start this, everyone knows that I am
strong, so I am the world's most powerful superhero
there ever was!

MR. BUT

So you are stronger than Thanos in Avengers Infinity
War?

SUPERMAN

Well, no, but stronger than Dragonbolt!

MR. BUT

Wait a minute, now we are getting a direct facecam from Dragonbolt?!

DRAGONBOLT'S FACE APPEARS ON THE SCREEN. HE ROARS.

DRAGONBOLT

Wait, now you hear me? Okay, what in the universe were you saying about beating me, Superman?!

SUPERMAN

I destroyed Zod! So that proves it!

DRAGONBOLT

No kidding, but you let him destroy a planet!

GODZILLA APPEARS ON THE SCREEN

MR. BUT

Now Godzilla?! We're getting 1,000,000 views!

GODZILLA

Superman, I'm on Dragonbolt's side.

SUPERMAN

Okay, so Godzilla, well... You can't beat me!! So your opinion hardly matters!

GODZILLA APPEARS ON SUPERMAN'S SCREEN AND THROWS HIS BLUE
FIRE BREATH AT SUPERMAN. BOTH OF THEIR SCREENS GO BLACK

MR. BUT

Noo! We just lost 500,000 views! Dragonbolt, give us some news now and we'll say you
destroyed Superman!

DRAGONBOLT

Fine, I'll tell you my perspective of the battle. You've woken up a monster called
Pumpkin.

MR. BUT TRIES TO CUT IN, BUT DRAGONBOLT MUTES HIM.

DRAGONBOLT

Pumpkin is a giant pumpkin villain. Pumpkin attacked New York City by jumping on it, so I made a hole and Pumpkin was gone. The end.

MR. BUT

But wait, I heard you destroyed North Korea!

DRAGONBOLT

No! I am innocent! You people really need to get better sources.

MR. BUT

Didn't you cause the earthquake that destroyed North Korea?

DRAGONBOLT

Nope, that was Pumpkin when he died.

MR. BUT Oh, okay. (to the audience) Viewers, for a limited time you can get a picture of Dragonbolt for just \$1,999.99!

DRAGONBOLT

That much for a picture of me?! No wonder you don't have any views. I'm leaving this broadcast. Bye.

DRAGONBOLT'S SCREEN GOES BLACK

MR. BUT

You know what? I quit. We don't have any good news to report.

THE SCREEN READS "THE END," BUT UPSIDE DOWN AND BACKWARDS.
