Yo un noble, respetado

Soy valiente y courageous

Sigo las tradiciones y respeto a todos

Soy honesto, verdadero y trabajador

Me importa quizás demasiado

Trato a los huéspedes como a mi propia familia a

noble one, respected

As should all tribesman be

Just as my ancestors were

I want to be honest and caring

I want to be hardworking and respected

I want to keep the traditions of my family

I want to be someone big in my tribe, in my world

Cuando llegue el momento

Seré realmente valiente y respetado?

Seré tan noble como quiero ser?

¿Me convertiré en quien quiero ser?

O sere diferente?

Tal Vez soy demasiado joven

Decir quien quiero ser

But it is with hard work that one can be

Who they want to be

It is with the effort that things are done

And one must shine out from the crowd

To be known for who they really are

For it is actions that speak louder than words
