

WRITING

La Luna De Mi Vida

by Karla M., 826LA

TYPE**POETRY****GENRE****GRADES 10-11**

I never believed in love
my young eyes only ever saw heartache after
heartache in my
family
I was cautious lending you my heart
vulnerable, waiting for impact
yet you held it so gentle
I spoke to the moon and told her about you
In front of the moon, and her sky full of stars I
realized I love you
she smiled at my story
they say the moon loves love
I hope our love is her favorite
